MANDATORY HEALTH INSURANCE REQUIREMENT OF THE EXCHANGE VISITOR PROGRAM

22CFR62.14 of the United States Code of Federal Regulations governing Exchange Visitor Programs requires that the J-1 visitor obtain health, accident, medical evacuation and repatriation of remains insurance that meets at least the following coverage:

- $100,000 per accident/illness in medical coverage
- An annual deductible of no more than $500
- Coinsurance that does not exceed 25%
- Medical evacuation up to $50,000
- Repatriation up to $25,000
- Pre-existing conditions must be covered with a waiting period no longer than 12 months

The insurance policies must cover the exchange visitor and all accompanying dependents. The policy must be underwritten by an insurance corporation having an A.M. Best rating of "A-" or above, an Insurance solvency International, Ltd. (ISI) rating of "A-" or above, a Standard & Poor’s Claims paying Ability of "A-" or above, a Weiss Research, Inc. rating of "B+" or above, or such other rating services as the Agency may from time to time specify. Insurance coverage backed by the full faith and credit of the government of the exchange visitor's home country shall be deemed to meet this requirement.

Coverage requirements can be found on the UCLA affiliate Garnett-Powers website: [http://www.garnett-powers.com/academics/ucla/index.htm](http://www.garnett-powers.com/academics/ucla/index.htm). Any exchange visitor who willfully refuses to comply with these requirements shall be considered to be in violation of his/her exchange visitor status. The program sponsor is obligated to inform the United States Department of State of the exchange visitor’s noncompliance.

J-1 Exchange Visitors must provide DCISS with a copy of proof of insurance within 10 business days of reporting their arrival. An all-services hold from DCISS will be placed on your record if you do not provide proof of insurance. This will affect your eligibility to receive services from DCISS and UCLA and can result in termination of your J-1 status. Appropriate forms of proof include: insurance cards, forms listing coverage, enrollment confirmation. You must provide proof of insurance coverage in English. If your policy is not written in English, you must provide an official translation of the insurance. Submit in person or email to dcissj1unit@saonet.ucla.edu.

I certify that I have read and understand the information above concerning the US Department of State requirement for exchange visitors to have insurance. I understand that it is my responsibility to have insurance coverage at all times during my stay in the U.S. Not following this mandatory requirement can lead to the termination of my appointment at UCLA and my J Visa status.
