The International Student Ambassadors serve the campus community through specialized committees. Ambassadors will be put in these committees after being accepted into the program.

**COMMITTEES GIVE AMBASSADORS THE CHANCE TO:**

- Develop their own projects
- Co-program with other organizations
- Develop teamwork & communication skills

**INTERNATIONAL STUDENT ADVOCACY**

**Goal:** Focus on advocating for international students at UCLA on an administrative level

**Good for:** Students with skills in communication and professionalism, those interested in working directly with campus administration to make change

**HEALTH AND FINANCIAL WELLNESS**

**Goal:** Focus on improving the holistic wellness of international students

**Good for:** Students interested in physical and mental health, financial literacy, and overall well being

**CAMPUS OUTREACH & INCLUSION**

**Goal:** Connect with the campus cultural community through marketing and outreach

**Good for:** Students who are creative, experienced in or looking to gain experience in marketing

**PROFESSIONAL DEVELOPMENT & NETWORKING**

**Goal:** Focus on helping international students meet career and professional goals

**Good for:** Those with good public speaking skills and an interest in networking and building connections

**OUR VOICE**

**Goal:** Focus on development within the International Ambassador program

**Good for:** Students with strong interpersonal skills, event coordination experience, and those with a passion for international student development and representation
