OPT EMPLOYMENT TIMELINE

F-1 students on OPT have a total of 90 days (including weekends and holidays) of allowed unemployment during their initial 12-month OPT period that begins on the start date of their OPT (as indicated on their EAD card). Students may not begin employment until they have received their EAD card and until the start date of OPT (as indicated on the EAD card) has been reached.

OPT EMPLOYMENT TYPES

All OPT employment must be directly related to the student’s field of study and appropriate for the student’s degree level.

- **Paid employment** – A student may work part-time (at least 20 hours per week), or full time.

- **Multiple Employers** – A student may work for more than one employer, but all employment must be related to the student’s degree program.

- **Short-term Multiple Employers (performing artists)** – A student, such as a musician or other type of performing artist, may work for multiple short term employers (gigs). The student should maintain a list of all gigs, the dates and duration.

- **Work for Hire** – This is also commonly referred to as 1099 employment, where an individual performs a service based on a contractual relationship rather than an employment relationship. If requested by Department of Homeland Security (DHS), the student must be prepared to provide evidence showing the duration of the contract period and the name and address of the contracting company.
• **Self-employed business owner** – A student on OPT may start a business and be self-employed. The student must be able to prove that he or she has the proper business licenses and is actively engaged in a business related to the student’s degree program.

• **Employment through an agency or consulting firm** – The student must be able to provide evidence showing he or she worked an average of at least 20 hours per week while employed by the agency.

• **Unpaid Employment** – A student may work as a volunteer or unpaid intern, where this practice does not violate any U.S. labor laws. The work must be at least 20 hours per week. A student must be able to provide evidence acquired from the student’s employer to verify that the student worked at least 20 hours per week during the period of employment.

**NOTE:** If requested by U.S. Department of Homeland Security, students must be prepared to provide evidence of OPT employment dates and duration, and the name(s) and address(es) of OPT employer(s).

### TRAVELING ABROAD DURING OPT

**Before OPT I-20 End Date:**
The following documents are required for re-entry to the U.S. in valid F-1 status **before** a student’s program completion date (as indicated on their OPT I-20):

- Valid passport
- Valid F-1 visa *(Canadian citizens exempt)*
- Endorsed OPT I-20 *(each travel authorization signature is valid for 1 year from the date it was last signed, and must be valid at the time of re-entry to the U.S.)*

**After OPT I-20 End Date:**
The following documents are required for re-entry to the U.S. in valid F-1 OPT status **after** a student’s program completion date (as indicated on their OPT I-20):

- Valid passport
- Valid F-1 visa *(Canadian citizens exempt)*
- Endorsed OPT I-20 *(each travel authorization signature is valid for 6 months from the date it was last signed, even though the I-20 says one year, and must be valid at the time of re-entry to the U.S.; it is highly recommended that you request an updated I-20 indicating your OPT employment information (as indicated in the SEVP Portal) if you have received your EAD card and started OPT employment).*
- Employment Authorization Document (EAD) card
- Proof of Employment or Job Offer Letter

**NOTE:** Students who have received their EAD and are engaging in OPT are still considered F-1 students and must travel with a valid F-1 visa to re-enter the U.S. in valid F-1 OPT status. Students with an expired F-1 visa must apply for a new F-1 visa from a U.S. Consulate or Embassy during their next trip abroad to re-enter the U.S. in valid F-1 OPT status. As it may be difficult to obtain a new F-1 visa during OPT, we recommend that students secure OPT employment before applying for a new F-1 visa. F-1 visa applications for students on OPT may require additional time for approval. For F-1 visa application requirements, please visit [http://travel.state.gov](http://travel.state.gov).
