   Report material changes to an existing Form I-983 by submitting an updated Form I-983 via email to [OPT@saonet.ucla.edu](mailto:OPT@saonet.ucla.edu) *(provide your UID in your email).*

   Material changes or deviations from the original Form I-983 may include, but are not limited to:
   - Any change of the employer’s EIN.
   - Any reduction in student compensation that is not tied to a reduction in hours worked.

- Contact the Student and Exchange Visitor Program at U.S. Immigration and Customs Enforcement (ICE) by following the instructions on ICE.gov.
- Report violations through the Homeland Security Investigations tip submission form.

STEM OPT EMPLOYMENT TYPES

- **Paid Employment** - A student must work at least 20 hours per week.
- **Multiple Employers** - A student may work for more than one employer, but all employment must be at least 20 hours per week, paid, related to their degree program and all employers must be enrolled in E-Verify. Students must submit a completed I-983 for each employer.
- **Work for Hire** - This is commonly referred to as 1099 employment, where an individual performs a service based on a contractual relationship rather than employment relationship. The company for whom the student is providing services must be registered with E-Verify. If requested by DHS, the student must be prepared to provide evidence showing the duration of the contract period and the name and address of the contracting company.
- **Employment through Third Party Employers and Staffing Agencies** - Employment must constitute a bona fide employer-employee relationship. I-983 must be signed by the E-Verify employer who is providing the practical training experience. The staffing placement agency cannot complete and sign the Form I-983 as an employer unless:
The staffing placement agency is an E-Verified employer of the student, and
- The staffing/placement agency provides and oversees the training
