What is OPT?

- Post-Completion Optional Practical Training (OPT) is a type of employment authorization approved by U.S. Citizenship and Immigration Services (USCIS) for eligible F-1 students interested in engaging in employment in the U.S. directly related to their major field of study after their degree completion.

- F-1 students are eligible for an initial 12 months of OPT per higher degree level achieved.

- Applicants do not need an employment offer to apply for OPT.
Eligibility Requirements

To be eligible, F-1 students:

- Must have maintained valid F-1 status for at least one academic year

- Must **not** have had 12-months of OPT authorization for the same degree level

- Must **not** have accrued 12 months or more of full-time Curricular Practical Training (CPT) for the same degree level

**NOTES:**
- Part-time CPT authorization does not affect OPT eligibility.
- Heavy CPT usage (either part-time or full-time) can cause your OPT application to be subject to additional scrutiny.
When To Apply

- OPT applications may be submitted to USCIS for processing as early as (but no earlier than) 90 days before a student’s program completion date.

- USCIS requires approximately 3-5 months to approve an OPT application.

- It is **highly recommended** that students submit their OPT application to DCISS 4 months before a student’s requested OPT start date.

- USCIS may accept applications up to 60 days after a student’s program completion date. However, students applying for OPT after their program completion date may not receive the full 12 months of OPT authorization.

The DCISS OPT Administrative Processing Fee is paid to maintain systems required by the U.S. Department of Homeland Security to maintain a student’s F-1 SEVIS record during their OPT period.

SEVIS maintenance fees are covered for current, enrolled UCLA students through enrollment fees. Since students will not be enrolled at UCLA during their OPT period, they will be charged an OPT Administrative Processing Fee by DCISS, as SEVIS record maintenance is still required during a student’s OPT period to allow DCISS to process F-1 benefits such as travel authorization, I-20 requests, STEM OPT Extension and Cap Gap requests, and OPT employment and address updates.

Students are required to pay the DCISS OPT Administrative Processing Fee each time they apply for Post-Completion OPT or STEM OPT Extension.
The DCISS OPT Administrative Processing Fee for the initial 12-Month Post-Completion OPT application is $40.00

To Pay the fee:

- Log in to your DCISS account

USCIS accepts the following payment methods for the $410 OPT application fee:

  Note: Providing a personal check with insufficient funds or a Canadian check will result in a denial of your application.

- **Cashier’s Check**: Go to your local bank (where you have your debit account) and request a Cashier’s Check. A Cashier’s Check is a draft guarantee drawn from your bank’s own funds. Your bank will withdraw funds from your personal account to create the Cashier’s Check.

- **Money Order**: A money order can be purchased at a U.S. post office, Western Union or CVS/pharmacy. Cash will need to be exchanged to obtain a money order for a specified amount.

  Note: DCISS recommends using a Personal Check or Cashier’s Check. A Personal Check or Cashier’s Check can be tracked, and are more secure payment methods since they are guaranteed by a bank.

Verification of Degree Completion

Optional Practical Training (OPT) is designed to provide F-1 students an opportunity to gain practical experience in their field of study. Students may apply for OPT as early as 90 days before the completion date of their degree program. U.S. Citizenship and Immigration Services (USCIS) considers a student’s completion date as the date the degree requirements are completed, not the date that students participate in their commencement ceremony. Graduate students may use their defense date, thesis date, or the actual quarter end date as their completion date. Graduate students may not continue to work or receive funding/financial support from their department after their completion date.

Sample Employment Authorization Document (EAD)

After you receive your EAD card, submit PDF copies of the front and back of your card to OPT@saonet.ucla.edu (include your UID in your email)

Note: You may only begin employment once you have physically received your EAD Card and your EAD Card ‘Valid From’ date has been reached.
Students may not begin employment until they have received their Employment Authorization Document (EAD) card and the start date as indicated on the EAD card has been reached.

Students may not continue working beyond the end date of the EAD card.

**Exception:** Students with a timely filed, pending 24-month OPT STEM Extension application or a valid Cap-Gap I-20 may continue employment beyond their OPT end date without receiving a new EAD card.
Students on OPT have a total of **90 calendar days** (including weekends and holidays) of allowed unemployment time during their 12-month OPT period that begins on the start date of their EAD card.

OPT employment must be directly related to the student’s degree program/major field of study (employment directly related to minor fields of study is not allowed).

OPT employment must be appropriate for the student’s degree level.
OPT Employment Types

- **Paid Employment:** A student may work part time (at least 20 hours per week), or full-time.

- **Multiple Employers:** A student may work for more than one employer, but all employment must be related to the student’s degree program. Employment for 1 employer must be at least 20 hours per week.

- **Short-term multiple employers (performing artists):** A student, such as a musician or other type of performing artist, may work for multiple short term employers (gigs). The student should maintain a list of all gigs, the dates and duration. Employment must be at least 20 hours per week.

- **Work for Hire:** This is commonly referred to as 1099 employment, where an individual performs a service based on a contractual relationship rather than employment relationship. If requested by DHS, the student must be prepared to provide evidence showing the duration of the contract period and the name and address of the contracting company. Employment must be at least 20 hours per week.
OPT Employment Types

- **Self-Employed Business Owner:** A student on OPT may start a business and be self-employed. The student must be able to prove that he or she has the proper business licenses and is actively engaged in a business related to the student’s degree program. Employment must be at least 20 hours per week.

- **Employment Through an Agency or Consulting firm:** A student on OPT must be able to provide evidence showing he or she worked an average of at least 20 hours per week while employed by the agency.

- **Unpaid Employment:** A student may work as a volunteer or unpaid intern, where this practice does not violate any U.S. labor laws. The work must be at least 20 hours per week. A student must be able to provide evidence acquired from the student’s employer to verify that the student worked at least 20 hours per week during the period of employment.
OPT Reporting Requirements

After you receive your EAD:

Submit Copy of EAD Card to DCISS
- Submit a copy of the front and back sides of your EAD card to DCISS by email: OPT@saonet.ucla.edu

F-1 students on OPT are required to report the following information during their OPT period within 10 days of any change through the SEVP Portal:

Cap Gap I-20: Transition to H-1B

- Cap Gap – a period in which a student’s F-1 status and OPT authorization is automatically extended to bridge the gap between the end of their F-1 status and the start of their H-1B status.

- The most common situation occurs when a student’s OPT ends in the spring or summer and their F-1 status expires 60 days later, leaving a gap of several months before the start of the student’s H-1B status on October 1.

- The Cap Gap I-20 will automatically extend a student’s F-1 status and OPT authorization without requiring a new EAD card.
The Cap Gap is available to F-1 students in all fields of study engaging in OPT with pending or approved cap-subject H-1B petitions.

Submit the following to DCISS to request a Cap-Gap I-20:
1. Completed [I-20 Request Form](#)
2. Copy of H-1B Receipt Notice or Approval Notice from USCIS
3. Copy of front and back of EAD Card

- Valid Passport
- Valid F-1 Visa
- Endorsed OPT I-20 (each travel authorization signature is valid for 6 months from the date it was last signed and must be valid at the time of entry to the U.S.)

- Valid Passport, Valid F-1 Visa, Endorsed OPT I-20 (each travel authorization signature is valid for 6 months from the date it was last signed and must be valid at the time of entry to the U.S.)

Visa Status During OPT

- F-1 students engaging in OPT will still hold F-1 status in the U.S.

- DCISS will still maintain and update an F-1 student’s SEVIS record during their approved OPT period.

- F-1 students may continue to request services from DCISS such as advising appointments, support letters and travel authorization during their approved OPT period.

- F-1 students engaging in OPT are still required to obtain a travel signature from DCISS on their I-20 to re-enter the U.S. in valid F-1 status after traveling abroad. Each travel authorization signature is valid for 6 months from the date it was last signed and must be valid at the time of entry to the U.S.
FAQ

How early can I apply for OPT?
You may submit your OPT application to DCISS as early as the submission date indicated for the graduation term in the OPT Workshop (see Slide 11). F-1 students may submit applications to USCIS as early as 90 days before their degree completion date. It is highly recommended that students submit their OPT application to DCISS 4 months before a student’s requested OPT start date to accommodate USCIS processing times.

How long will it take USCIS to approve my OPT application?
USCIS requires approximately 3 - 5 months to approve an OPT application. Click here to see current USCIS processing times (see ‘Form I-765’ for ‘Potomac Service Center’).

How do I choose my OPT start date?
Your OPT start date can be as early as the day after your degree completion date, or as late as 60 days after your degree completion date (see Slide 5).

What if I submitted my OPT application, but will not be completing my degree as expected?
Contact the DCISS front desk to schedule an appointment with an F-1 Counselor for more details.
What if I move before receiving the EAD card?
You may risk losing your EAD card in the mail if you file a change of address with USCIS after submitting your OPT application to USCIS for processing. Please note that the U.S. Postal Service (USPS) does not forward federal mail, even if you request mail forwarding services from USPS. We recommend that you provide an address for your OPT application that will be valid for at least 4 months from your application submission date.

Can I travel abroad while my OPT application is pending?
It depends:

Yes, if you have received your OPT application I-797 Notice of Action Receipt Notice from USCIS, your re-entry date to the U.S. is before the degree completion date stated on your OPT I-20 and you have all of the required re-entry documents.

No, if your re-entry date to the U.S. is after the degree completion date stated on your OPT I-20.

DCISS does not recommend that you travel while your OPT application is pending, as it may result in a Request for Evidence from USCIS, which will delay the processing of your application, or a denial.
FAQ

Which documents do I need if I want travel overseas and re-enter the U.S. after my OPT I-20 End Date?

Valid Passport
Valid F-1 Visa
OPT I-20 Endorsed for travel by DCISS
   (each travel signature is valid for 6 months from the date it was last signed and must be valid at the time of re-entry to the U.S.)
Employment Verification or Offer Letter

My F-1 visa expired. Can I travel abroad during OPT?

Yes, you may travel abroad, but you must apply for a new F-1 visa from an overseas U.S. Embassy or Consulate, as you will require a valid F-1 visa to re-enter the U.S. in valid F-1 OPT status.

Please note that it may be more difficult to obtain a new F-1 visa while on OPT, especially if you have not secured OPT employment. Please expect extended wait times for F-1 visa application processing.
FAQ

Who determines if my OPT employment is related to my degree?
U.S. Department of Homeland Security (DHS) leaves this discretion to students to determine. Should DHS audit your OPT employment and find that your employment is not related to your degree, you will be in violation of your F-1 status.

What if my employment is not related to my degree?
Working in a field that is not related to your degree (e.g. major) is considered unauthorized employment and is a serious violation of your F-1 status, which may result in the accrual of Unlawful Presence and/or being denied future immigration benefits in the U.S.

Can I begin employment before receiving my EAD card?
No, you may not engage in any employment in the U.S. until you have received your EAD card and your OPT start date has been reached.

What do I do if I lost my EAD card?
You must apply for a replacement EAD card from USCIS, which will require a new I-765 form, $410.00 filing fee, and supporting documents. Contact DCISS to schedule an appointment to apply for a replacement EAD Card.
When does my 90-day unemployment period start?
Your 90-day unemployment period begins on the first day of unemployment after your OPT start date (as stated on your EAD).

What should I do if I am approaching my 90th day of unemployment?
We recommend the following options: transfer to another school, depart the U.S., or change your visa status. For other options, please consult with an immigration attorney.

Q15: Where do I report my OPT employment information?

Q16: Where do I report my change of address or phone number during OPT?
