## INSTRUCTIONS FOR COMPLETING THE DS-2019 REQUEST FORM

This form includes instructions on how to complete the DS-2019 Request Form and provides a list of supplemental documents required for successful submission of the DS-2019 Application. Information is subject to change depending on types of visitors. Visit the DCISS website for regularly updated information. If you have further questions, please contact a J-1 Exchange Visitor Advisor at (310) 825-1681.

### A. PURPOSE OF THE DS-2019

**Begin New Program** or change visa to J-1: Applies to an Exchange Visitor (EV) coming from abroad, or someone in the U.S. on another non-immigrant visa to whom a UCLA department offers an opportunity to conduct/collaborate on a project. Change of visa status requires additional forms, available at DCISS. If family member(s)<sup>1</sup> will enter the U.S. **with the EV**, indicate the number and complete **part G**.

**Transfer of J-1 status to UCLA from another U.S. institution:** This option enables an EV to transfer to UCLA to continue a program (study, research, or teach) started at another institution in the U.S. An EV may transfer to UCLA if:

- a. the J-1 visa category (student or scholar) will not change
- b. time spent, both at UCLA and the previous institution, will not exceed the length of time allowed<sup>2</sup> for the respective J-1 visa category,
- c. the Responsible Officer at previous institution approves the transfer

The *Transfer-In Request Form* (see website) and a copy of the current DS-2019 form and J-1 visa stamp are required before DCISS can issue the new DS-2019. Changes of J-1 visa category, i.e. from student to research scholar/professor, require approval of the U.S. State Department and may be difficult to obtain.

**Extension of Stay:** An EV can apply for extension of stay if he/she will continue doing the same activity. A request must be submitted to DCISS **at least 10 business days** prior to the expiration of the DS-2019, but no earlier than 6 months prior to expiration date. DCISS approves extension of stay only for EVs whose I-94 forms show "D/S" as ending date of authorized stay. In all other instances, INS (form I-539 and fee(s) required) processes the extension request. When extension is processed, DCISS will contact the EV.

**J-1 visa students** on authorized post-graduation Academic Training must apply for extension of their stay for the duration of such training even if they are not physically present at UCLA. The length of the training, which is authorized by DCISS, is limited to up to 18 months for Bachelors and Master's degree students and 18-36 months for Ph.D. graduates on a case-by-case basis.

### B. EXCHANGE VISITOR BIOGRAPHICAL INFORMATION
